Casa Bellevue

Florence

An enchanting and elegant property enjoying the most outstanding position overlooking River Arno and the Ponte Vecchio, Casa Bellevue is the perfect bolt hole from which to capture the magic, atmosphere and uniqueness of Florence.

The opportunity to stay in such a fabulous location in Florence is rare and Casa Bellevue, a wonderfully tranquil and luxurious apartment, provides visitors with just that opportunity! The much loved home of an old Florentine family, Casa Bellevue is situated on the second floor of a palazzo along the banks of the River Arno between the Ponte Vecchio and Ponte Santa Trinita. Views are, of course, out of this world and guests will cherish the evenings looking at the glittering lights of the palazzos and churches and across the bridges to the other side of the river.

As soon as one enters Casa Bellevue there is a feeling of warmth and relaxation and the whole apartment is light and peaceful. Beyond the entrance hall is the elegant living room with original polished parquet floor and walls painted in a gorgeous 'velatura' style with the ochre colour typical of nearby Siena. With tasteful family antique furnishings, characterful paintings and complete elegance the living room of Casa Bellevue is a really delightful

place to read and relax and absorb the wonders of Florence after a day's exploration of the city.

Two spacious bedrooms with plenty of light coming through also enjoy views to the Ponte Vecchio and each has been decorated and furnished to the very highest of standards with great thought and attention to detail to ensure guests enjoy every comfort possible. At the back of the apartment is the atmospheric dining room, small study, the well equipped kitchen and two bathrooms. This part of the property is fascinating as it is right beside the tower of the adjoining SS.Apostoli Church thus providing further magic in this city so rich in history and culture. Ideal for one or two couples, Casa Bellevue could not better placed for exploring Florence with all the major sights such as the Uffizi, Piazza Signoria, the Duomo and Palazzo Pitti all within a few minutes walk. There are of course plenty of restaurants hidden away in the nearby streets but of course the joy of

staying in one's own apartment is coming home from the fantastic Florence central food market and savouring all number of fresh local products together with, doubt, the odd glass of full bodied red wine from nearby Chianti!

Casa Bellevue cannot be too highly recommended for anyone wishing to really get to know Florence and the Florentine way of life and is an excellent property be it for one week in the summer, several weeks in September or a few months as there is so much to discover and explore in this world renowned city of art, beauty and culture.
