*La Cappella cannot be too highly recommended*

# La Cappella

*Paghezzana, Sarzana, Liguria*

Unique and magical La Cappella is an exceptional find. Steeped in romance this is the perfect dream escape close to the deep blue sea of the Ligurian coast.

Imagine lying on one's bed in the most beautifully restored chapel, pressing a button and the roof opening above you to reveal a starlit clear sky – this is La Cappella! The incredible restoration project of La Cappella really is a 'one-off' and has been lovingly and thoughtfully engineered and created over several years with the involvement of architect Giuseppe di Negro, the very best local craftsmen and its stylish owner.

Walking into La Cappella one cannot fail to be amazed by its elegance, charm and originality. This old stone chapel has been transformed into a luxurious 'nest'. Every little detail has been thought of by the owner who has cleverly combined old with new. Original Venetian lights by the front door, marble basin in the shower room, the original marble altar used to create the kitchen area and gorgeous black and white floor tiles all combined with beautiful fabrics and subtle lighting. There is even under floor heating making La Cappella a very special destination throughout the year but the 'pièce de resistance' is the roof with its incredible mechanical design which opens to reveal the sky above - heavenly!!

With magnificent views to the Tuscan and Ligurian coast including the Golf of Poets, La Cappella is set amidst olive groves in the hills above the charming and delightful town of Sarzana. This is a romantic hideaway where one can enjoy clean air, tranquility and total luxury inside La Cappella. Days can be spent simply relaxing on a lounger in the garden with a book and some delicious fresh local food, visiting unspoilt yet sophisticated Sarzana or spending days at the exclusive and very special Eco del Mare private beach club on the nearby Ligurian coast. Just a short drive from La Cappella, at Eco del Mare one can enjoy swimming in crystal clear water, unwinding on the beach and savouring the excellent fish, pasta and seafood dishes from the restaurant terrace whilst looking across to the island of Palmaria.

As a glorious destination for honeymoons, long weekends and full weekly rentals La Cappella is easy to reach from Pisa airport and there are lots of fantastic restaurants in nearby Sarzana as well as lots of appealing small shops and a market every Thursday. With Eco del Mare down the road as the perfect nearby beach destination La Cappella cannot be too highly recommended to any couples searching an unusual, peaceful and enchanting hideaway in Italy.
