Originally a country estate dating back to the 13th century, Hotel Le Fontanelle is the creation of a lengthy, sympathetic and tasteful restoration project. Several years of devoted work have been spent by the owner with attention to every detail - the end result being a luxurious and charming hotel amidst a pristine landscape which has not changed for centuries. Here, in the heart of Chianti Classico country, Hotel Le Fontanelle offers guests a retreat from the stress of today's busy world. With just 25 rooms, the hotel maintains an atmosphere of tranquility and the very highest levels of service from its delightful team of staff.

The views from Le Fontanelle are spectacular - a classic scene of rolling Tuscany hills dotted with olive trees and vines and pretty terracotta villages - and in keeping with this magical setting there is an underground car park so that cars are hidden. There is plenty of space throughout the property with numerous choices of venues in which to relax be it in one of the beautifully furnished living areas, outside by the pool gazing at the 360 degree views or in the comfort of one's own room. Throughout, the restoration is in keeping with the traditional Tuscany traditions - old terracotta floors, wooden beams, arched loggias and soft furnishings of the very best quality - the owner has thought of everything.

Dining at Hotel Le Fontanelle is memorable - fresh local ingredients are brought together in true Italian fashion producing creative and genuine Tuscany dishes and, of course, the wine menu is outstanding with an exciting choice of wines from the surrounding Chianti producers.

There is lots to explore in the surrounding area be it touring the wineries, taking a trip to Florence or Siena or maybe playing a round of golf on the nearby course. However, if you are simply looking for a rest in an unspoilt and tranquil location where the air is crystal clear, the cuisine is

fresh and delicious and the views are heavenly then Le Fontanelle is perfection. Days here just drift by beneath the glorious Tuscany sun with a book in hand and chilled glass of prosecco - bliss!
