## Trullo Cocatosto

*nr Fasano, Puglia*

With outstanding sea views and complete privacy Trullo Cocatosto has been restored to the very highest level providing luxury accommodation in the heart of Puglia.

In a magical position in the Murge dei Trulli region of undulating hills, olives, holm oak woods and fruit trees and with mesmerising sea views, Trullo Cocatosto is an exceptional find. Restored to the height of luxury but in keeping with the original structure of the property, Trullo Cocatosto is a haven of tranquility and privacy with its spectacular pool and outside areas for relaxation combined with contemporary but warm interiors.

Life at Trulli Cocatosto primarily takes place outside and the property has been thoughtfully designed with this in mind. On either side of the massive swimming pool are sunbathing areas with sunbeds and umbrellas and at the far end of the pool area is a stunning outdoor 'lounge' set round a corner with colourful cushions. Here one can relax with a chilled glass of sun drenched Puglian wine and gaze across the olive plantations to the deep blue sea beyond. Next to the 'lounge' is a pergola covered outside dining area with tastefully positioned lights and lots of candles providing the perfect venue for

lazy dinners beneath the stars.

Trulli Cocatosto is made up of several buildings thus providing ample space for up to eight people and each double bedroom is within its own trullo with its own en suite bathroom and sitting room with fireplace. Simple, contemporary decor has been incorporated giving maximum effect to the original trullo design and soft furnishings work well with the creamy white colour of the trullo limestone – the end result being one of cool and calm in a land where temperatures soar in the summer.

The two kitchens are modern state of the art with stainless steel surfaces and all the facilities one could wish for as well as spacious eating areas for those days when dining outside is not appropriate. Outside is an original wood oven as well as barbecue and for those guests preferring to get away from cooking whilst on holiday there is an excellent chef and waiter service available on request.

Near to Trullo Cocatosto are all number of delightful towns to visit including the white villages of Alberobello, Ostuni, Cisternino and Locorotondo. Further afield is the impressive and charming Baroque city of Lecce as well as the coastal towns of Taranto, Otranto and Gallipoli. Guests at Trullo Cocatosto are very privileged to be able to use the facilities at the luxurious Cocco Beach Club owned by Masseria Torre Cocco. With its private beach, bar and Sushi restaurant, yacht, massage service and much more the Cocco Beach Club is a real added bonus to a stay at Trullo Cocatosto.

To stay at Trullo Cocatosto is magical – one enters a different world and it is certainly hard to leave – the perfect destination for luxurious relaxation!
