Casa Cavallegeri

Nr Castagneto Carducci, Maremma, Tuscany

Set behind a glorious untouched sandy beach of the Maremma, Casa Cavallegeri is a beautiful and elegant family home with its very own 'cabin' on the beach for private 'al fresco' dining – bliss!

Casa Cavallegeri was a horse outpost of the aristocratic Della Gherardesca family whose roots in Tuscany date back to 1600. This fascinating property is immersed and surrounded by its own private park of approximately seven hectares inside the Natural Reserve of Rimigliano, a typical lush Mediterranean Pine bush. Casa Cavallegeri is situated along the Tuscan Coast in the upper Maremma, close to Castagneto Carducci and Bolgheri. It is one of the very few properties in this area to be positioned directly on the coast, just one hundred meters from the beach and the only one that has its own private bathing cabin right on the beach. Overlooking the Tyrrhenian Sea and the beautiful landscapes of Maremma, this is one of the best preserved, untouched and most charming areas of the Tuscan coast - rich in Etruscan sites and offering the largest natural marine park in the Mediterranean.

Casa Cavallegeri was renovated in 2011 with the inclusion of five fabulous new bathrooms and yet it has retained its beautiful and charming character with its original furniture, paintings and classic décor. Tasteful textiles and colours have been incorporated throughout the villa be it in the attractive bedrooms, the stylish living room or the wonderful Tuscan kitchen. This is a glorious family home with every comfort one could wish for as well as complete privacy and just a short walk barefoot to the sandy beach with its umbrella pines for an early morning swim. Exceptionally the private beach cabin provides guests the luxury of enjoying delicious meals of fresh local ingredients accompanied by one of the many fine wines of this area.

This corner of Tuscany is becoming increasingly famous and exclusive and particular mention should be made of

the fact that it is home to some of the most prestigious wine producers such as Incisa della Rocchetta, Antinori and many others producing wines famous all around the world such as "Sassicaia", "Ornellaia", "Guado al Tasso". Excellent staff at Casa Cavallegeri means that guests can completely relax and unwind in this blissful location be it in the gardens of the villa, listening to music in the gorgeous and spacious living room or lying on the beach as the sun sets across the Mediterranean.

Luxurious Casa Cavallegeri cannot be too highly recommended for friends and family desiring somewhere special by the beach in this area of absolute, untouched beauty.
