

*Really is the most
perfect property for
a big gathering*

Casa Storta *Val d'Orcia, Tuscany, Italy*

A wonderful venue for a gathering of friends and family, Casa Storta is a fabulously restored farm building with contemporary interiors, large swimming pool and excellent kitchen. Recently restored to the very highest of standards by the same interior designer and owner of nearby Tombolino, Casa Storta is extremely spacious and the perfect setting for a large party of friends or family. Each of the bedrooms has been individually styled and furnished and enjoys its own large en suite bathroom or shower room, which is equally stylish and tasteful. Original features of the property have been maintained and contemporary colourful fabrics and furnishings blended in to create a most attractive and welcoming villa.

The huge kitchen is fantastic with two large ovens and a double size fridge, with ice dispenser. Catering for large groups is perfect here especially with the assistance of the fabulous local cooks that can be hired by the guests as the owners can't provide any, due to local restrictions on touristic rentals.

Most attractively designed with every practicality considered, the kitchen of Casa Storta really is the heart of the villa and an original Tuscan arch 'divides' the kitchen from the dining area. Here, parties of up to twenty can enjoy delicious meals in the cooler months (there is even the luxury of underfloor heating) whilst in the summer there is an equally spacious pergola area for al fresco meals from which one can enjoy the stunning views. Casa Storta is surrounded by six acres of lawned gardens, an orchard and gardens and enjoys complete privacy. The 20 metre pool just beyond the house is excellent and ideal for those guests wishing to take some serious exercise! Alternatively, others may enjoy the luxury of relaxing in the hot tub during the cooler evenings of the spring and autumn months.

Casa Storta really is the most perfect property for a big gathering of family or friends in the heart of the Val d'Orcia.

Information

Sleeps: 19
