*A luxury  
is a dream  
through A*

Located in the centre of Seville in the old quarter of Barrio Alfalfa just five minutes walk from the Cathedral, the original 17th Century Casa Palacio has been meticulously restored and converted into a small private luxury boutique hotel, offering chic accommodation with a vibrant bar & restaurant. The architectural highlights include the atrium patio, Roman marble columns and the original wooden carved beams; all this fine art work accentuated by a unique Lutron controlled lighting system.

Situated around the galleries of the central courtyard are the six bedrooms which are divided into three categories; superior, deluxe and junior suite. Each room has its own creative design in which Kuky Mora-Figueroa has stamped her own individual and particularly appealing style combining an eclectic mix of ancient and modern. There is a state of the art sound and vision system in each of the bedrooms as well as luxurious marble and limestone bathrooms with walk-in rain showers and the very best linen and custom made bathrobes – all adding to the luxury of Corral del Rey.

Guests will love the roof top terrace and the extended mirador where one can relax with a glass of wine (and a private dinner should one wish) and take in the spectacular views of the Cathedral and Giralda. Up here on the roof terrace is also a refreshing plunge pool – bliss in the hotter months after strolling around Seville. Another outstanding feature of the hotel is the restaurant & bar offering a relaxed fine dining experience and beyond here are the vaulted lower ground cellars providing an additional choice of venues in which to dine. Corral del Rey also provides an elegant and unique setting for parties, exhibitions & private functions and is highly recommended for any special occasions be it a birthday celebration or wedding anniversary.

At Corral del Rey every detail has been thought of to ensure not only the very highest quality of accommodation but, as importantly, friendly and efficient service

where guests can totally relax in a uniquely intimate yet luxurious hotel. Seville is a magical and fascinating city, rich in history with a wonderfully relaxed atmosphere where visitors can wander at ease and beyond Seville are all sorts of delightful places to visit such as Cadiz, Vejer and the beaches of Costa del Luz. Corral del Rey can also arrange bespoke tours with private guides to all sorts of destinations adding to guests' experience of this delightful corner of Andalucia.

*Corral del Rey cannot  
be too highly recommended  
– stylish, intimate and  
relaxed – guests won't  
want to leave!*
