

CASTIGLIONCELLO
DI TRINORO

VAL D'ORCIA
TUSCANY

Against the backdrop of a quintessential Tuscan landscape, Monteverdi Tuscany is located in a Medieval village and features ancient buildings, lush gardens, and lingering green spaces. Retreat into the Tuscany of your dreams...

Monteverdi Tuscany is simply a dream! Located in the hamlet of Castiglioncello del Trinoro, this beautiful restoration represents the utmost in style, comfort and tranquility. Each room is completely unique, visually stunning, and luxurious while the Private Village Houses are a masterful blend of ancient and modern. Ceilings are supported by century old wooden beams while the walls are original to the medieval village.

All rooms are finished with the finest linens, fabrics and furniture in the world. Each room is also a mini art gallery, containing pieces by acclaimed contemporary artists from around the world. The large showers in the rooms are open and often positioned near large windows to soak up the views of the Val d'Orcia. Highly respected interior designer Ilaria Miani, is the genius who has married old and new, combining furnishings and raw materials from Italy, Egypt, Tunisia and Spain. Luxurious and captivating to the eye but also in atmosphere and character one cannot fail to be bowled over. With every little detail taken into account to ensure not

only the very best in quality but also the ultimate in authenticity and respect for the environment, Monteverdi is a hilltop sanctuary which reawakens all the senses. Every kind of service one could wish for can be provided at Monteverdi be it private dining, baby sitting, local vineyard tours, artisan shopping, or cookery classes with Monteverdi's superb chef. Executive Chef Giancarla Bodoni presides over all the culinary offerings at Monteverdi Tuscany, including Oreade, the Enoteca, the Culinary Academy and the private dining experiences. For over 25 years,

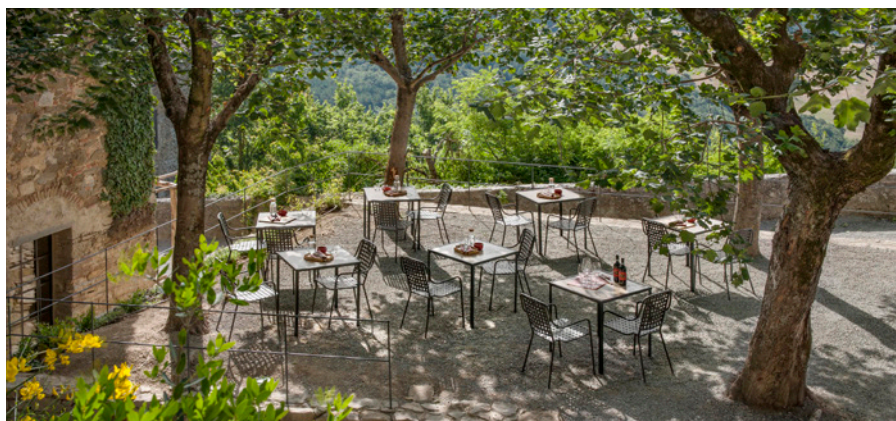

Chef Giancarla has been a pioneer of the organic, slow-food movement. She passionately sources and fills Monteverdi's kitchens with only the highest quality and freshest ingredients. The Library Bar and Lobby Lounge & Terrace provide delightful venues for sitting with an aperitivo after maybe a day of exploration around the Val d'Orcia.

The Monteverdi Spa & Wellness Center is totally out of the ordinary. Here guests can enjoy a completely exclusive experience within this hedonistic sanctuary. The

subterranean heated pool looks out over the Tuscan countryside and here one can go between pool, sensory shower and cold plunge pool before indulging in an ancient warm ceremony or, for couples, a magical and romantic alfresco bathing ritual on the private terrace in Monteverdi's signature twin travertine tubs. An exceptional choice of spa products are available including those of Florentine institution Santa Maria Novella and renowned Biologique Recherche and the expert therapists are second to none.

Nearby there is a wealth of places to visit such as Pienza, Montalcino and Montepulciano but many guests may well find they cannot draw themselves away from this unique Tuscan retreat dedicated to nourishing the body and mind. During your stay you may also be fortunate to partake in one of the many series of enriching seminars, performances, and private events – all part of the Monteverdi experience.
